

GABRIEL MEFFRE

Saint-Joseph "Saint Etienne"

"Seductive golden colour with green highlights. The nose opens with a refined bouquet of white flowers, enriched with delicious hints of candied quince. The palate is fresh and balanced, revealing subtle notes of bitter almond and ending with a long, flavourful finish, enhanced by a hint of saltiness that gives it tension and elegance."

Vintage

2025 offers a vintage with a distinctive personality, in a year of intense climatic contrasts. Despite lower yields, the concentration and aromatic finesse achieved are remarkable. The periods of heat brought beautiful ripeness, while the late summer rains preserved freshness. The result: balanced, expressive and promising wines. A vintage that will appeal to both enthusiasts and professionals alike with its generosity and brilliance.

Grape varieties

Terroir

The St Joseph appellation is over 60 km long, with steep, terraced vineyards stretching along the right bank of the Rhône River, between Condrieu in the north and St Peray in the south. The soils are a mix of gneiss and granite in the north and granite and feldspar in the south.

Winemaking

The harvest took place early in the morning to preserve the primary aromas. Optimized settling of the lees to boost aromatic potential (between 3 and 6°C) before fermentation at low temperature (12 – 14°C). The ageing in vats lasts for 6 months before bottling.
