

Beaumes de Venise

2018

"On the palate, this wine is round and elegant with velvety tannins. It's a well balanced wine wich develops fruity (blackberry) aromas. Structured and long lasting finish."

Vintage

2018 was atypical in many ways. This vintage required a constant presence from the vineyards to the cellar. After a mild Winter, the wet and rainy Spring gave way to a beautiful Summer, favoring a perfect growth of the grapes. September then ushered in an Indian Summer that proved to be more than ideal for harvests with cool nights and warm & sunny days. The grapes were harvested for a total of 8 weeks at optimal maturity and under ideal climatic conditons. The result is an elegant a,d structured vintage with a particularly aromatic profile and a superbe balance.
